

Scalo Incorporated: Serving The Scalo Group of Companies

About the Company: Scalo Incorporated

At Scalo Incorporated, we are the administrative and support body for The Scalo Group of Companies which include Burns and Scalo Roofing, Co., Cuddy Roofing, David Hood Roofing and Scalo Solar. The Scalo Group of Companies has been noted for our product diversification, involving energy and environmental solutions; we have positioned our companies for future growth well into the twenty-first century while expanding geographically. We are growing our business through continued investment in new technologies and energetic, coachable employees. We succeed together here and have the joy of sharing our successes with our customers and also our fantastic team members. A key value and initiative to the company is our triple wallet share concept- this means making decisions and taking action to share the wealth essentially. If we do our job right, our customers, our employees, and the company benefits from a quality experience. If you are looking for a company that values your work, wants to invest in your development, and will continue to position itself as a leader in its industry, The Scalo Group of Companies is the right fit for you!
